## PHOTOGRAPHY POLICY

Thank you! We appreciate your interest in Mack's orchards. Our farm is a beautiful and often sought-after location for photography sessions. We love visitors to take casual photos of their visit for their own personal use. Thus, in areas that are usually open to the public, no fee is required for casual amateur photography during regular business hours.

However, for professional or commercially oriented photography and videography (for profit/paid-occupation), there is a \$ 50 fee with 2-hour maximum time limit. For posed photography (graduation, wedding, engagement, family events, etc.) regardless of whether the photographer is a friend, a family member or a professional, there is also a \$ 50 fee with 2-hour maximum time limit.

For commercial film, TV, video, catalog shoots, commercially oriented re-use, etc., management approval is required and fee rates are agreed-to on an individual basis.

The following guidelines are for all guests, but Photography Permit is necessary for professional and posed photography sessions.
